Dear Sir

In continuation of our invitation issued in the first week of February inviting you to send delegates to the All India Local Bodies Conference in Madras in the last week of April 1953 I write this to inform you that the Reception Committee has finalised the arrangements for the Conference which will be held on the 25th 26th and 27th April 1953 at Rajaji hall Government Estate Mount Road Madras

The Conference will be inaugurated by

DR C P RAMASWAMI AIYAR

and presided over by Sri R K Sidhwa former M P and former Mayor of Karachi and President Federation of All India Local Authorities Next comes election of subjects Committee and open session in the afternoon of the 25th followed by a Civic Reception and entertainment to the delegates by Sri T Chengalvaroyan Mayor of Madras

On the 26th morning there will be meeting of the Subjects Committee and consideration of resolutions and open session in the forenoon and afternoon followed by a Tea Party by the Reception Committee The Conference again meets in plenary session on the 27th April morning and will be addressed by H E Shri Sri Prakasa Governor of Madras

We would once again urge upon you the desirability of sending a large contingent of delegates to participate in this conference We are having important resolutions discussed at the Conference particularly in relation to the finances vis a vis the States and Local Bodies and the devolution of powers to Local Bodies in the new set up You might remember that the Local Finances Enquiry Committee submitted its report to the Government of India as far back as December 1950 The Federation of All India Local Authorities under whose auspices this session is being held pursued the matter with the Government of India and it is necessary that we follow up and take active steps as a united body to get the Committee s recommendations accepted and implemented by the Union and States Governments There is again the all important question of the role of Local Bodies under the Five Year Plan drawn up by the Union Government and of subventions which Local Bodies are entitled to receive from the Central Government under the plan

In view of these important matters which are to be discussed and appropriate resolutions framed and passed on behalf of all the Local Bodies in India I request that your council will make it a point to send its representatives if it has not already done o to the Conference So far we have received about 700 applications from delegates and fresh acceptances are coming every day We realise that state Governments have to issue a notification to the Local Bodies authorising them to bear the expenses of T A and D A delegates fee etc for attending the Madras Conference The Madras Government has issued such an order vide G O P S No 351 dated 23—2—1953 Other Governments have also issued similar orders on our representation If you find any difficulty I would request you to write to your State Government for such sanction Let me add that barring two or three State Governments all the others have recognised the Federation of All India Local Authorities and there would be no difficulty in obtaining sanction

**Delegates fee** Please note that the fee per delegate is Rs 10/ each This has been fixed by the Federation of All India Local Authorities and must go to them Such of those delegates who have not paid the fees are requested to send the amount direct to the Federation of All India Local Authorities 13 Mahatma Gandhi Road Indore or to pay it on their arrival in Madras to the Federation office at the Conference premises The Reception Committee is handing over the delegate fees they have received by money Order and cheques to the Federation

**Last date for receipt of applications extended** Applications from such of the Local Bodies who had no sufficient time to decide on sending delegates will be received by the General Secretary till the 15th April 1953

**Reception on Arrival, Lodging & Boarding Arrangements** All delegates on arrival in the city are requested to report to the Reception committee office at Rajaji hall Government Estate Mount Road Madras 2 We have fixed up the Legislators Hostel rooms both the new and old block for the lodging of delegates Please note that the room rent for stay in the Legislators hostel comes to Rs 3 per bed in the old hotel and Rs 4 per bed in the new hostel Besides accommodation has also been arranged in some of the best hotels in Madras for the convenience of the delegates who may choose to live in hotels For detailed information about these arrangements and the charges etc please see the Bulletin enclosed

Yours sincerely
